**ANNUAL SYMPOSIUM 2024**

# Role of AI in Neuroscience Discovery

**April 8<sup>th</sup>, 2024**  
**1:00pm – 6:45pm**

**LOCATION**  
Mountcastle Auditorium

Please join us to hear about the ongoing research in neuroscience and AI and engage in discussions about how AI can be utilized to gain greater insight into brain function.

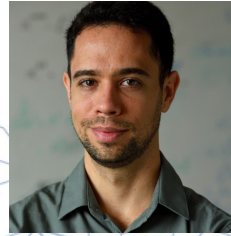

We will wrap up with a reception and poster session, showcasing the research of our Distinguished Doctoral and Postdoctoral fellows.
