Workshop Series

## Neurodata Without Borders

June 20<sup>th</sup> - 21<sup>st</sup>, 2024

### LOCATION

*Homewood Campus, Johns  
Hopkins University*

Join us for an in-person workshop on Neurodata Without Borders, a data standard for neurophysiology data, and the DANDI Archive, a platform for publishing, sharing, and processing neurophysiology data.

Learn how to use these resources to maximize the impact of your data while complying with the new NIH data sharing and management policies

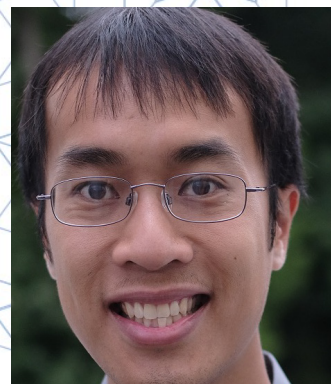

This workshop is open to all Hopkins affiliates. Please register :  
Please email [sviswa10@jhmi.edu](mailto:sviswa10@jhmi.edu), if you have any questions.

Dr. Benjamin Dichter

Dr. Stephanie Prince

Dr. Ryan Ly
